

SUPPORTING SHELBY COUNTY GOVERNMENT'S MILITARY EMPLOYEES

Shelby County Human Resources staff members work diligently to provide support to our military employees. We truly understand that our servicemen and women are also our co-workers.

Each year officials from The National Committee for Employer Support of the Guard & Reserve recognize employers and present Patriot Awards to those with outstanding service in support of military employees.

Hazel Haywood, Administrative Services Supervisor of Shelby County Human Resources was recognized on August 3, 2011 for her patriotic service. Hazel takes pride in making sure that our military employees have the information needed before they depart for military leave and after they return home and prepare to begin work.

Hazel's name was submitted to the committee by Denise Robinson. Ms. Robinson is a Medical Assistant with the Health Department and has been deployed in Afghanistan since April 2009.
